**EXHIBIT 1**

Outline of MA-MAP Application Assignment Procedures :

MA-MAP qualifying applications are assigned to Participating Insurers on a strict rotation basis.

If an assigned application (1st Assignment ) is declined by the the 1st Insurer or if 1st Insurer's offer to provide coverage is rejected or not pursued by the Applicant/Agent, the application is reassigned (2nd Assignment) to a 2nd Insurer. Again, reassignment is on a strict rotation basis.

MPIUA policies cancelled at Insured's request or for non-payment, or if a claim has occurred since first assignment are not reassigned to a 2nd insurer.

If a reassigned application is declined by the 2nd Insurer or if 2nd Insurer's offer to provide coverage is rejected by the Applicant/Agent, the application is not reassigned again.
